Hi all,

[Ex. 6 - Personal Privacy] has [Ex. 6 - Personal Privacy] clarified any of the below information? Would you like me to call him?

We need to make sure Stefano/Environment Ministry knows that CDA [Ex. 6 - Personal Privacy] will be in all of these Saturday meetings and the lunch in Bologna (she won't attend the reception, but [Ex. 6 - Personal Privacy] will.)

Thanks, [Ex. 6 - Personal Privacy]

Thank you [Ex. 6 - Personal Privacy] This is very helpful.

Anna- due to Galletti's schedule we can't make the lunch longer. It looks like the Saturday time slots will stay as they are in the current draft itinerary.

Hi Team G7,

I'd like to circle back on Saturday's schedule. As discussed on our Wednesday call, the business lunch seemed to be too short by Italian standards. We can shorten the time for the EPA debrief to allow for more time for the lunch events, below. Given the new negotiations schedule I think 30 minutes should be sufficient on Saturday and a possible additional 30 minutes may be needed Sunday evening as we approach the end game.

Has the embassy received any feedback from the Ministry if the time change for the Saturday lunch events would be feasible on their end? Minister Galletti has a meeting with the Prefect that should end at 13:00, so it is unlikely that he can be available before 13:15.

12:00- 12:30 pm G-7 Briefing by EPA staff
Location: Savoia Hotel Regency

Travel time?

12:50-1:00 pm
1:15 pm Welcome by Minister Gian Luca Galletti and Unindustria Bologna
President Alberto Vacchi
*Location: TBD in private room of restaurant (Minister +1; Pruitt +1;
Vacchi and an interpreter)*
*Location still uncertain – Unindustria would like to host the lunch on their HQ
terrace in Via San Domenico, 4. Galletti is also considering to do it at the Hotel Savoia Regency. FICO
people were not happy to do the lunch there for the constructions still going on.*

1:30-2:30 pm Lunch with Minister Galletti and U.S and Italian Business Leaders - they
will send the list of approx. 10 Italian companies soon. The idea is have a brief presentation
from each of them in English. The US companies will be invited as well.
Location: TBD

Also, wanted to touch base and see if there were any updates from Embassy Rome on the facilities
available at the Agri-Food Center in Bologna (can we confirm they have a room for the event, do they

have powerpoint capability or should we tell presenters to reply on paper handouts?) as we enter final preparations for the food waste event next week. No problem for technical equipment (powerpoint) at FICO

Best, Hodayah

Subject: Administrator's Schedule -- Revised Version #14

Importance: High

All -- Here is an updated version of schedule #14 which now replaces the version that I sent to Ex. 6 - Personal Privacy yesterday.

I didn't change the version number because it hadn't yet been circulated to the full planning team and I didn't want to confuse things. I'll defer to Mark to decide whether/when to circulate this version more broadly but I wanted at least the core team to have the latest.

I also know that Embassy Rome is updating their own schedule on a parallel track so we probably should consider making a choice on format soon so that we can all start working from the same one.

Thanks and regards,
Anna
